

Clearview Capital Seeks Add-on Acquisitions for Capitol Imaging Services

Capitol Imaging Services is a leading provider of outpatient diagnostic imaging services. The company has more than 40 freestanding locations in AL, FL, LA, MS and TX, and offers patients a range of modality capabilities, including MRI, CT and mammography in addition to others. Clearview Capital acquired Capitol Imaging Services, in partnership with management, in October 2020 and is actively seeking potential add-ons with the following characteristics:

Outpatient Diagnostic Imaging Providers

Companies with freestanding locations providing outpatient diagnostic imaging services to patients, preferably with multi-site and multimodality operations.

Geography

Companies with operations in the Gulf South or Southeast regions.

Size

Multi-site and multi-modality operations are preferred, however acquisitions of any size will be considered that meet the above geographic criteria.
