

Clearview Capital Seeks Add-on Acquisitions for MBI Industrial Medicine

MBI is a leading provider of occupational injury care services in the Southwestern U.S. with an extensive network of clinics in Arizona, Colorado and Southern California. Clearview Capital partnered with MBI's management to recapitalize the business in December 2020 and is actively seeking potential add-ons with the following characteristics:

Outpatient Occupational Healthcare Services

Companies providing occupational healthcare services on an outpatient basis, preferably with multi-site operations.

Focus on High Quality Care and Compliance

Companies that share a primary mission to provide high quality care to its patient base. Organizations must have a strong commitment to compliance with regulatory and payor standards.

Add-on candidates should also meet the following criteria:

- For companies within MBI's existing markets in Arizona, Colorado and California, acquisitions of any size and model will be considered
- For acquisitions in new markets, companies should have annual revenue of at least \$2 million, as well as required licensure in good standing
