

# Clearview Capital Seeks Add-on Acquisitions for People Results

**PEOPLE RESULTS**

People Results is a leading employee relations platform offering labor relations consulting, organizational development and communications services delivered by experienced professionals. People Results serves a diverse array of blue-chip clients across the healthcare, manufacturing, technology, transportation, retail and other sectors. Clearview Capital acquired People Results, in partnership with management, in May of 2019 and is actively seeking potential add-ons with the following characteristics:

## Leadership Development and Training

Organizations with a background in developing and delivering executive- and manager-focused leadership training solutions – on-site, virtual or synchronous, or using eLearning – along with designing and supporting employee engagement efforts.

## Survey and Analytics

Organizations with experience in developing and executing employee-facing opinion surveys, workplace assessments, conducting focus groups and providing analytical results, output, and recommendations based upon those results.

## Digital Strategies

Organizations adept in internal/external social media and content strategy, employer brand strategy, and web design.

## Internal Communications

Organizations with experience in promoting and supporting crisis communications, change management, and employee engagement. Background and/or knowledge in labor relations and human resources is preferred but not required.

## Retention and Restorative Strategies

Organizations that specialize in developing and fostering positive work atmospheres to promote engagement, retention, and reduce turnover. Restorative practices to strengthen connections and build a healthy work environment is preferred but not required.

### ***Add-on candidates should also meet the following criteria:***

- Annual revenue of at least \$2 million
- Strong, sustainable competitive position
- Favorable growth prospects and strong customer relationships
- Business model centered on internally (i.e. employee) facing services
